

Creating Smiles for Those in the Fight Against Cancer

Cancer touches all of us. In the US, half of all men and one-third of all women will develop cancer. Card Care Connection provides supportive cards and hopeful messages to those faced with cancer. We are requesting assistance with creating handmade crafting greeting cards for program recipients.

Card Guidelines:

Quantity/Time Frame: We accept any quantity of cards all year.

Themes: Thinking of You, Have a Nice Day, Hello, Care & Concern. Please avoid Get Well Soon and religious messages.

We are looking for professional-handmade cards. Please don't write on the card. The inside should be blank, but you are welcome to include a stamped sentiment. Smaller card sizes, including unsealed envelopes, are preferred. We also welcome monetary donations.
