---

Dear Community Partner,

Card Care Connection is dedicated to providing supportive and motivational handmade cards to those who are suffering from cancer. We appreciate your consideration of a monetary gift to our organization. The program is designed to help people cope with their illness, especially those with limited support systems. With the support of community partners, we can continue sending cards with an uplifting message of hope and encouragement.

The diagnosis of a life threatening disease such as cancer can be incredibly frightening. Treatments are often harsh, placing tremendous demands on both the body and spirit. The physical burden is very real, but the emotional struggle can be equally challenging. Finding the emotional strength to persevere or simply finding peace of mind can seem out of reach at times. Words of comfort and support can help to ease the mental burden of this disease and provide inspiration at a much-needed time.

Card Care Connection is devoted to enriching the lives of those affected by cancer. We could not fulfill our mission without your vital support. Your donation will directly impact our card recipients on many levels. Below are the levels of annual corporate membership.

- Platinum Level: \$1,000 will provide funds to adopt a community center for a card making event, including all supplies and promotion materials for 280 individuals
- Gold Level: \$750 will provide funds for 210 individuals to receive cards
- Silver Level: \$500 will provide funds for 140 individuals to receive cards
- Bronze Level: \$250 will provide funds for 70 individuals to receive cards

Corporate partners at all levels receive recognition on our website and newsletter. Card Care Connection also highlights an outstanding agency that has demonstrated a special commitment to our mission as its spotlight partner. Please visit our website to join our corporate partners. Thank you for honoring our recipients with your support.

Sincerely,

Aleeza Granote, LCSW  
Founder and Executive Director
